Your organisation's fund, authority or institution is endorsed as a deductible gift recipient

Dear Sir/Madam

We have endorsed your organisation's fund, authority or institution as a deductible gift recipient and enclose your *Notice of endorsement as a deductible gift recipient*.

This endorsement enables your organisation's fund, authority or institution to receive gifts which are tax deductible to donors.

The following details will appear on the Australian Business Register:

- your organisation's endorsement as a deductible gift recipient for the fund, authority or institution you operate
- the date or period of effect.

You can view the details at www.abr.business.gov.au

This endorsement means that income tax deductions are available only where gifts are made to the fund, authority or institution named in the notice. It does not apply to the whole of your activities, unless your organisation is separately endorsed. If your organisation has also applied for other endorsements, you will receive separate notification.

What you need to do

Your endorsement was based on the information you gave us. Your organisation's fund, authority or institution should regularly review its endorsement as a deductible gift recipient. We recommend a yearly review. If there are any changes (for example, to governing rules, structure or operations) and you are no longer entitled to endorsement, you must notify us before or as soon as possible after the event.
